I don't really want anything for Christmas this year but if I'd have to wish for something it would be my friends and family having a great and merry Christ- mas and everyone being thankful for what they have and everyone being safe and having shelter.
from
Peighton

Dear Santa,
I don't want anything for Christ- mas, I just want for everyone to be happy. I just want a happy Christmas. If I got one thing for Christmas it would be for me and my friends and family to have a very snowy Christmas. Maybe I could get a few hoodies for Christmas too, but I'm thankful for what I have. I was sick for Christmas last year, so I hope I'm not this year. That would be really great. Maybe my parents could get a new house or car or maybe both. There isn't really anything in particular that my family really needs. We only need clothing, shelter, water and food, and for us to love each other. I also just want to have a good Christmas with a lot of food and drinks. That's really all I need for Christ- mas. Maybe that'll make a lot of things better for our Christmas. I also just want to be healthy. I just want to be a good kid for Christ- mas. Maybe I will leave some cookies and milk for you. I wish a Merry Christmas to everyone.
Sincerely,
Daijah
